ABOUT ME

My name is Katharina Altreuther and I am travel addict. The travel fever has grabbed me early. As a child, I traveled with my parents across Germany, Austria and Hungary. After that, I was mainly interested into Japan. Meanwhile, I love to travel to destinations near and far.

ABOUT KULTURTÄNZER

Kulturtänzer focuses on short-distance and long-distance trips, city and road trips. I report about my experiences und give tips and tricks around travelling.

I'm targeting travelers who want to discover new places in the world and escape from everyday life, who have their budget in mind, but do not want to travel in the most affordable way but in the most comfortable and comfortable way possible.
